**Providing 0800 Freephone Telephone Numbers to Businesses in the UK and across the World.**

### Summary and Costs

**The Service:** Enhanced 0800 Freephone Number

**Service Description:** This is a sophisticated pay monthly diversion service that allows you to divert an 0800 number either to a Landline or to a mobile, or international landlines and mobiles. The service comes with a state of the art Online Control Panel, that allows you to easily change diverts, setup Smart Hunting, Time of Day Routing for the UK, and review up to the minute Call Statistics.

**Service Features:** The Enhanced 0800 Freephone Number comes ready packaged with the following Features, Online Control Panel, Telephonic Control, Voicemail to Email, Telephonic Voicemail, Smart Hunting, Time of Day Routing, Call Statistics and Message Log that allows you to review who called (Full CLI if not withheld), Time & Date of the Call, Where the call was diverted to, whether a message was left on Voicemail, and the Cost of the Call. SMS Notification of messages can be enabled at just 7p per message. The Enhanced 0800 Freephone Number can also be used with the [Live Answering Service](#), and is Upgradeable FREE OF CHARGE to the [0800 Switchboard](#) version. Low Account Balance Alerts available. Auto Top Up of Credit available.

**Service Benefits:** An Enhanced 0800 Number, allows you to manage your costs. You never need spend more than your budget allows. You place credit on your account from which incoming calls are debited. You choose when and how you top up the credit. You can manage your advertising and sales campaigns, by reviewing Call Statistics. Find out which ads are actually working for you. If you miss a call we provide the Full CLI of the caller (unless withheld). Smart Hunting (especially when used with a Live Answering Service) allows you to Never miss a Sales Call. The call is diverted to your chosen number, and if no-one answers the system will try the next number on the list.

### Service Costs:
